

PREMIUM CHECKS

Premium checks will be printed and mailed to exhibitors AFTER Fair week. Premium checks MUST be cashed within 60 days of when the check was written. Premium checks will be reprinted, upon request, only one time. **Any premium check not cashed by February 1, 2010 will be deemed a donation to the Kent County Youth Agricultural Association (aka: Kent County Youth Fair).**

Any corrections in the amount of premium issued must be requested in writing within three weeks from the check issue date.

The Kent County Youth Agricultural Association shall have the power to make notable deductions from premiums offered, if in their opinion, the financial condition of the Association prohibits it from fulfilling its commitments.

BUYER'S DINNER INFORMATION

To help us get a better idea of how much food will be needed for the Buyer's Dinner during Sale Night we are encouraging Buyer's to pre-register. When they pre-register they can reserve dinner tickets for themselves and their family or guests that they may bring with them to the Fair. If they do not pre-register, they will only be given TWO dinner tickets regardless of how many people they bring with them.

If your club members write letters inviting potential buyers to the fair they may want to let them know about this change. Any potential buyer can contact the Fair Office at 897-6050 for pre-registration information.
