

Dear Leaders:

At your next group meeting, please take the time to promote Performing Arts participation.

This area of opportunity sometimes goes unnoticed and we would like to remind and encourage our exhibitors to consider signing up. Maybe they have a piano selection (we provide a keyboard), an instrumental, vocal piece, or a dance routine. Puppetry and storytelling are also available as well as a category titled 'other'. Therefore, please consider sharing your talents for the Performing Arts events and be sure to include them on your premium statements.

Thank you
